hobbies

Hello, I am Jaime, a self made (after bootcamp) Software Creator, I was born in Mexico and have been a digital nomad for the last two years.

Most of my experience consists of building products (and teams) from the ground and that is my favorite setup. That has led me to learn to do multiple things besides coding, like design, setup servers in the cloud, CI/CD, prioritize team tasks and manage people.

Experience

- Betterfin.com - Full Stack Developer - (Vue/Python) - Remote

Jun 20 - Jan 21

Developed a whole new product for the company customers to connect their bank account and be able to analyze their bank expenses.
- Zeel.com - Full Stack Developer - (Vue/Node/Python) - Remote

Apr 18 - May 19

Led the development of the internal tools that allowed our team to run the business.
- CervezaSiempre.com - Project Manager - (Vue/Node/Python)

Jan 18 - Apr 18

Built -in 2 months- the first version of a beer subscription service for the biggest beer company in the world.
- Eiya.mx - Lead Developer (Vue/Node/Python)

Aug 16 - Oct 17

Coded the messenger app, internal control panel, restaurant panel and customer facing website for tracking.
- Rappi.com - Full Stack Developer (jQuery/Python)

Feb 16 - Aug 16

Started the engineering team in Mexico and built the first version of the internal operations console.
- Centraal.com - Junior Full Stack Developer (jQuery/Python)

Jun 15 - Feb 16

Built an internal system to manage the coworking space and gave support to all the technology in the space.

School

- Dev.F - Developer Bootcamp

Apr 15 - Jun 15
- UNAM - Industrial Engineering

Aug 14 - Apr 15
- IPN - Business Admin

Aug 14 - Apr 15

Hobbies

I love traveling, been to 50 countries so far. I also enjoy riding bikes, my monocycle, going to hackathons and petting doggos.
